Learning Environment Request

If you have concerns about your student's class placement based on educational needs for 2018.2019 school year, we have a Learning Environment form available in the office.

Mark Your Calendar: Kindergarten Entry and Exit Profile (KEEP)

During Utah's 2017 General Legislative Session, funding was provided to support the development and implementation of a common metric to evaluate the entry and exit performance levels of Utah's kindergarten students. The Utah State Board of Education, in conjunction with a multitude of stakeholders, developed the Kindergarten Entry and Exit Profile (KEEP) to measure the key literacy, numeracy, and social-emotional skills essential for academic success in school.

The Utah State Board of Education requires that the KEEP be administered at the beginning and end of each year. Your student was administered the KEEP entry assessment during **August 23-25, 2017** and will be administered the KEEP exit assessment during **June 4-7, 2018**.

Friday, June 1: Last official day for kindergarten student instruction
1st – 5th graders will continue daily instruction through Thursday, June 7, 2018.

June 4-7: KEEP Individual Assessment appointments.
 Parents will sign up for a 20/30-minute appointment through the Online Scheduler.
