A Note from the Principal

Monday, June 4th, will be **Water Day** at Sunrise! Students will cool off with water balloons, sprinklers, and other fun water activities. There will also be a sidewalk chalk art area for those who prefer to stay dry.

We highly recommend that you help your students apply sunscreen before school that day and that you encourage them to bring a towel, a change of clothes, and shoes that can get wet.

One of our Water Day stations will be water balloon volleyball. In order for our kids to be able to play this game, we are looking for donations of old bath towels. If you have an old bath towel or swimming towel you could spare, please drop it off in the box in the office. (Please do not buy a new one for this!) Thank you for helping make this an enjoyable day for the kids at Sunrise!

Each grade will be outside for 30 minutes and will have regular lessons for the rest of the day. Here is the schedule for water activities:

- 9:30-10:00am 4th Grade
- 10:00-10:30am 2nd Grade
- 10:30-11:00am 3rd Grade
- 1:00-1:30pm 1st Grade
- 1:30-2:00pm 5th Grade

We're looking forward to a fun, wet day!

Go Eagles! Thanks PTA!

Mark Your Calendar: Kindergarten Entry and Exit Profile (KEEP)

During Utah's 2017 General Legislative Session, funding was provided to support the development and implementation of a common metric to evaluate the entry and exit performance levels of Utah's kindergarten students. The Utah State Board of Education, in conjunction with a multitude of stakeholders, developed the Kindergarten Entry and Exit Profile (KEEP) to measure the key literacy, numeracy, and social-emotional skills essential for academic success in school.

The Utah State Board of Education requires that the KEEP be administered at the beginning and end of each year. Your student was administered the KEEP entry assessment during **August 23-25, 2017** and will be administered the KEEP exit assessment during **June 4-7, 2018**.

Friday, June 1: Last official day for kindergarten student instruction
1st – 5th graders will continue daily instruction through Thursday, June 7, 2018.

June 4-7: KEEP Individual Assessment appointments.
Parents will sign up for a 20/30-minute appointment through the Online Scheduler.

They accomplish their mission by providing accurate information, empathetic peer support, valuable training and effective advocacy based on the concept of parents helping parents.
