Choir begins Wednesday, February 5th!

Welcome to the 2019-20 Sunrise Elementary School Choir ("The Sunrise Singers")! You will see your kids gain musical skills and confidence as a result of participating in the choir and we're excited to get started this year! The choir commitment includes weekly rehearsals at 7:15 am on Wednesday mornings with performance opportunities at school assemblies and one choir concert each semester. This year, the choir is open to students in the 2nd-5th grades.

We will be using the blue Sunrise Singers tee shirt for performances this year. You may use a shirt from a previous year if you have one. Otherwise, you can order a shirt through the PTA online store or return the order form to the school with payment. Checks should be made to Sunrise Elementary PTA. The signup and order sheet need to be returned to the school by the first day of choir.

PLEASE include your e-mail address above! E-mail is the best way for us to communicate announcements and any last minute information we need to get out.

Participation in the Sunrise Singers is a privilege that provides opportunities, recognition, and responsibilities. Sunrise singers are responsible for their participation in rehearsals and are expected to follow directions and show respect for others. If behavior during rehearsal becomes an issue, the student will be reminded privately of behavior expectations. After three warnings, Mrs. Swanicke will call parents to discuss choir behavior and the student's future involvement with Sunrise Singers.

Please review these expectations and procedures with your student and make sure you are willing to support them before you both sign this sheet. We appreciate your support in making choir a good experience for everyone.

My child has my permission to participate in the before-school choir. I have discussed with my child the importance of appropriate behavior and he/she understands that disruptive behavior could result in an invitation to discontinue participation in the choir. I also understand the importance of my child's regular attendance at weekly rehearsals and will make every effort to ensure that my child arrives at 7:15am in the school Kiva (adjacent to the Gymnasium) each Wednesday. Students should enter through west doors by the cafeteria. In addition, I am aware that my child's siblings and/or carpool friends who are not members of the before-school choir may not accompany my child to rehearsals under any circumstances.
