

You're Invited

Sunrise Families,

We want to be able to welcome the summer in a positive and memorable way! So.....

We are hosting a Student Parade!

On May 27th, from 1:00 - 2:00 pm

We would love to have your family follow our attached parade route and say goodbye to the teachers and staff from a distance. Teachers will be lined up in the parking lot, ready to show your students just how much they miss them as you drive through the parking lot!

The goal of this experience is to ensure that your student feels like they had that opportunity to wrap up the year and say goodbye! Plus, the teachers are excited to celebrate all of their hard work during distance learning by making them feel like the amazing stars that they are!

Parade Route Map:

For everyone's safety please follow the parade route below!
