

Sunrise Elementary Food Drive

November 9th-16th

We are collecting food for the Utah Food Bank

Please bring Non-perishable food and canned goods to school with you and let's help fight hunger in our community. We have an 800lb goal for our school that can be easily reached by our generous Sunrise Community.

Rather donate money? There will be envelopes available in the front office if you would like to leave a donation.

Rather donate from the comforter of your own home? Shop or donate online with this URL:

http://fighthunger.utahfoodbank.org/site/TR/Events/General?px=1171046&pg=personal&fr_id=1160

For every dollar donated the Utah Food Bank can leverage it into \$7.66 worth of goods and services. This helps to feed the nearly 400,000 Utahns unsure of where their next meal will come from.
